

This exploded view diagram illustrates the assembly of a cabinet. The components are labeled with numbers 1 through 7, and letters E, F, and J. The diagram shows the following parts and their assembly sequence:

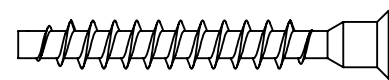

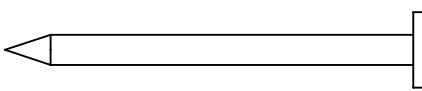

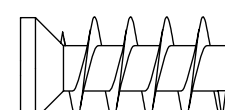

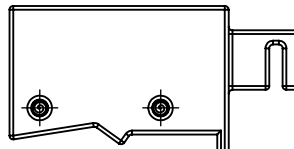

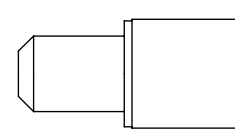

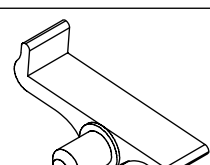

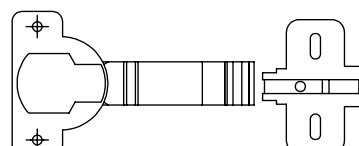

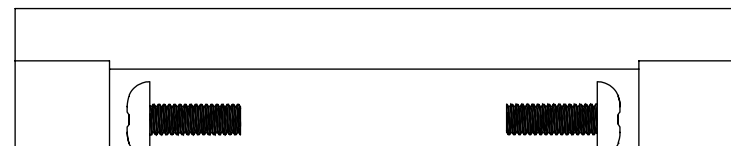

- 1**: Side panels, which are the first components to be attached to the frame.
- 2**: Top and bottom panels, which are attached to the side panels.
- 3**: A central panel that is attached to the top and bottom panels.
- 4**: A top panel that is attached to the side panels.
- 5**: A bottom panel that is attached to the side panels.
- 6**: A panel that is attached to the side panels.
- 7**: A panel that is attached to the side panels.
- E**: A panel that is attached to the side panels.
- F**: A panel that is attached to the side panels.
- J**: A panel that is attached to the side panels.

The diagram also shows the assembly of the cabinet doors, which are attached to the side panels using hinges and handles.
